Treoirínte maidir le bainistíocht agus eagrúchan an O.C.G. in ár scoil

Cúrsaí Curaclama Ábhar curaclama - Leanfar an Curaclam mar atá foilsithe ag an N.C.C.A. tríd na ranganna ó Naíonáin Shóisearacha suas go rang a sé. Beidh na h-achmhainní go léir atá in úsáid in oiriúint do pholasaí agus ethos na scoile. I suíomh go bhfuil níos mó ná rang amháin le chéile, beidh an rang /na ranganna is óige tógtha amach as an rang má tá ábhair á mhúineadh nach bhfuil oiriúnach dá haois. Le ábhair atá sain-inscneach, múinfear é do bhuachaillí leo féin agus cailíní leo féin ar dtús agus ansin pléifear é mar ghrúpa iomlán le chéile Nuair a úsáidtear cainteoir ón taobh amuigh, tá sé de dhíth ar an múinteoir ranga iad a chur ar an eolas faoi pholasaí na scoile, agus, fanfaidh an múinteoir sa rang i rith an cheachta i gcónaí.

Cúrsaí Eagraíochta- Má tá páistí ann nach bhfuil tuistí sásta go ndéanfadh siad píosáí áirithe den cúrsa, glacfar leo i seomra ranga eile. Moltar go mbeadh O.C.G. á mhúineadh ag deireadh an lae sa chás seo chun seans a thabhairt don tuismitheoir an páiste a thógáil abhaile go luath (i dtreo is nach mbeadh aird na bpáistí dírithe air/uirthi) I dtaobh ábhar faoi rún atá pléite sa rang, ní féidir leis an scoil aon fhreagracht a ghlacadh faoin mbealach a pléitear é taobh amuigh den suíomh seo. Tá sé de cheart ag aon mhúinteoir gan na hábhair goilliúnach gnéasach O.C.G. a mhúineadh. Luíonn freagracht leis an

mBord Bainistíochta cinntiú go mbeidh an t-ábhar múinte do na páistí ag múinteoir eile nó ag cuairteoir. Tugtar cuireadh do thuismitheoirí féachaint ar an gcuraclam agus tá fáilte rompu labhairt leis an múinteoir ranga má tá imní orthu faoi. Sa scoil seo feictear tuismitheoirí na bpáistí mar phríomh oideachasóirí a bpáistí agus tá an scoil ag obair i ról tacaíochta. Aithnítear go bhfuil sé de cheart ag tuismitheoirí páiste a bhaint amach as rang O.C.G. ar leith ar an tuiscint go bhfuil an tuismitheoir sin iomlán freagrach as an toipic seo a mhúineadh don páiste iad féin. Tá cúram ar an tuismitheoir an cinneadh seo a chur i scríbhinn chuig na scoile.

Ag deileáil le ceisteanna -Freagrófar aon cheisteanna atá clúdaithe sa churaclam don aois grúpa atá i gceist.

Ní bheidh na toipicí a leanas á phlé;

- Ginmhilleadh,
- féintruailiú,
- hómaighnéasacht,
- frithghiniúint.

Is féidir ceisteanna a chur ar an múinteoir ó bheal nó ar pháipéar sa rang agus freagrófar iad taobh istigh de theorainn na curaclama agus an polasaí seo. Má cuirtear ceisteanna nach bhfuil oiriúnach iarrfaidh an múinteoir ar an bpáiste an cheist a chur ar a thuismitheoirí. Ní féidir leis an scoil freagracht rúin a ghlacadh má chuireann páiste ceist phearsanta nó má insíonn said eolas phearsanta fúthu féin.

R.S.E Policy

School Details

Name: Gaelscoil Inse Chór

Address: Droichead na hInse, BAC 8

Phone number: 01 6796748

Introductory Statement

This policy was first put together in October 2006. It was developed by the R.S.E. Committee which consisted of teachers, members of the Board of Management, and parents.

Rationale

Every Primary school has an obligation to provide a policy statement for R.S.E. and how it is provided in school for the children.

School Philosophy

We are a catholic school, therefore all our policies are implemented in keeping with the school ethos.

- The school ethos is developed by being sensitive to the reality of our children's lives in a changing world.
- Having mutual respect between all partners in education
- Being child centred
- Aiming to ensure each child reaches full potential in the holistic sense
- Hopes that children are equipped with high self-esteem to enable them to go to live happy and fulfilled lives

Definition of R.S.E.

R.S.E. aims to provide opportunities for children and young people to learn about relationships and sexuality in ways that help them think and act in a moral, caring and responsible way.

Relationship of R.S.E. to S.P.H.E.

Social, Personal and Health Education contributes to developing the work of the school in promoting the health and well-being of children and young people. This happens in the context of their

emotional, moral, social and spiritual growth, as well as their intellectual, physical, political, religious and creative development.

Current School Provision

We provide the following courses to implement our policy;

- The R.S.E. programme (Beo go Deo)
- S.P.H.E.
- The R.S.E. Programme
- Stay Safe Programme
- Walk Tall Programme

School programmes will be put in place to promote self confidence. Informally an understanding supportive climate will be encouraged in the school and the school rules will be enforced (as in the Behaviour Code)

Aims of our R.S.E. Programme

- ☒ To help young people develop healthy friendships and relationships ☒
- To enable young people to develop healthy attitudes and values towards their sexuality in a moral, spiritual and social framework .☒
- To enhance the personal development, self-esteem and wellbeing of the child ☒
- To promote knowledge of and respect for reproduction ☒
- To develop and promote in the child a sense of wonder and awe at the process of birth and new life.
- To enable the child to be comfortable with the sexuality of oneself and others while growing and developing.

Guidelines for the Management and Organisation of R.S.E. in our school

Curricular Matters Curriculum Content - The Curriculum as published by the N.C.C.A. will be followed through the classes from Naíonáin Shóisearacha to Rang a sé. All resources used will be in keeping with the ethos of the school and this policy. In a multi class situation, the younger class/classes will be withdrawn when topics being taught are not age-appropriate. With gender specific topics, the boys and girls will be taught in a single sex environment initially, and then it will be discussed with the united class When an outside speaker is used, the class teacher is responsible for making them aware of school policy and that teacher will always sit in during the lesson.

Organisational matters- If there are children whose parents wish them withdrawn for the sexually sensitive topics, they will be accommodated in another teacher's classroom. We recommend in this case that R.S.E. be taught last thing in the day to give the parent a chance to withdraw the child on some

other pretext (so as not to draw attention to them) With regard to matters of a confidential nature managed, the school cannot take any responsibility for what is discussed in the yard or the classroom. Any teacher has the right to opt-out from teaching the sexually sensitive issues in R.S.E. It is the Responsibility of the BoM to ensure that the curriculum will be taught to the children by another teacher or a guest speaker. Parents are invited to view the curriculum and may speak to the class teacher if they have any concerns. In this school,, the parents are acknowledged as primary educators of their children and the school will work in a supportive role. It is recognised that a parent has the right to withdraw a child from an R.S.E. specific class on the understanding that the parent is taking full responsibility for this aspect of education themselves. It is the parent's responsibility to inform the school of this decision in writing.

Dealing with questions - All questions within the parameters of the curriculum will be answered.

The following topics will not be discussed;

- Abortion
- Masturbation
- Homosexuality
- contraception.

Questions within the class may be oral or written and will be answered within the bounds of the curriculum and this policy. If inappropriate personal questions are asked the teacher will refer the child to his/her parents. The school cannot guarantee confidentiality if a child asks a question of a personal nature to themselves or discloses personal information.

Contract/Ground Rules

- Respect for all
- Laughter is allowed- no laughing at anyone
- No personal questions
- We don't name or talk about other people during the teaching of these lessons
- Discuss all content with Mammy or Daddy, but not with anyone younger or not present here today
- Promise re confidentiality and questions asked in class
